

§ 1794.73

§ 1794.73 Timing of agency action.

Where RUS has adopted another agency's environmental documents, the timing of the action shall be subject to the same requirements as if RUS had prepared the required EA or EIS.

§ 1794.74 Incorporation of environmental materials.

RUS may incorporate into its environmental documents, environmental

7 CFR Ch. XVII (1–1–04 Edition)

documents or portions thereof prepared by state, or local agencies or other parties for purposes other than compliance with the requirements of NEPA. RUS will circulate the incorporated documents as a part of its EA or draft and final EIS in the same manner as if prepared by RUS.

§ 1794.75–1794.79 [Reserved]
